NORTON TOURS FREMONT COUNTY'S SAFETY TOWN *Lieutenant Governor presented award to community leader during visit*

Denver, CO – Lieutenant Governor Jane Norton visited the Fremont County Head Start site today, including participating in a tour of their Safety Town, USA.

As Lieutenant Governor, Norton is involved in strengthening Colorado's families, including supporting mentoring and overseeing the Colorado collaboration office of the Head Start grant program. She traveled to Fremont County and Canon City to learn more about how Head Start is being implemented.

During the visit, Lieutenant Governor Norton also presented a plaque to former County Commissioner Joe Rall.

"Commissioner Rall has been an active supporter in the Fremont County Head Start program for over 15 years," said Norton. "This year, Safety Town is being dedicated to Commissioner Rall for his dedication to the children of this community."

This is the 29th annual Safety Town, USA event for the Head Start office, teaching preschool, daycare, childcare and kindergarten children, staff and parents about community helpers and how to be safe in the community.
